

# Winemaking from Grapes

Grad Seminar in Biomedical Engineering

Come learn how to make wine!

Longtime home winemaker Vincent Vannicola will be presenting basic winemaking techniques on Monday, November 27<sup>th</sup> at 4:40 PM in AL2221 of the ITC. Dr. Vannicola has been making wine with friends and family in upstate New York since 1967. Among his most recent wines are Zinfandel, Petit Sirah, Ruby Cabernet, Dandelion, Concord, Sangovese, Chardonnay, and Sauvignon Blanc. From these he has won several silver medals in the New York State Fair.

**Day:** Monday, Nov. 27

**Time:** 04:40PM-05:40PM

**Where:** AL2221 Large ITC Conference Room
